

Mr. Dumpster – Terms & Conditions

Please review the following important information before using your dumpster. If you have any questions, don't hesitate to contact us.

Rental Period & Pick-Up

- Standard rental includes 3 days unless otherwise specified.
- Pick-up will occur on the date noted in your Work Order unless you request an extension (additional fees may apply).

“Ready for pick-up” means:

- Dumpster doors are fully closed and latched
- Load is level with no debris sticking out
- No vehicles, materials, or obstructions are blocking access
- If a second pick-up attempt is required, a \$125 trip fee will apply.

Loading & Weight Limits

- Dumpsters must not be loaded above the top edge (wall height). Overloaded dumpsters are the customer's responsibility.
- The 9, 17, 25 & 30 yard dumpsters are not intended for large amounts of concrete, soil, or asphalt. If used, charges will be based on actual weight at \$140/tonne.
- Please place sharp objects (e.g., nails, screws) pointing downward for safety.

Dumpster Usage

- Absolutely no unauthorized moving of dumpsters. If the dumpster is shifted without our consent, the customer assumes full liability for damages or injuries.
- 10-yard dumpsters are intended for clean fill - Clean fill includes: soil, sod/grass, small plants, sand, small rocks, river stone and aggregates.
- 10 yard dumpsters can also be used for concrete disposal (clean concrete) – mixed materials not accepted.
- 10 yard dumpsters can also be used for asphalt disposal (clean asphalt) – mixed materials not accepted.

- If contaminated with non-clean-fill materials, the load will be disposed at landfill rates of \$140/tons.
- If material becomes stuck and requires scraping by heavy equipment, an additional \$50 fee will apply.

Customer Responsibility

- Proper use of the dumpster
- Avoiding prohibited items (see our Unacceptable Materials Agreement)
- Ensuring safe access for drop-off and pick-up
- Any fines, penalties, or additional disposal fees due to misuse will be billed directly to the customer.
